

# Horizontal Line Tracing

Horizontal line tracing practice area with 8 rows of dotted lines for tracing. Each row contains 12 segments, each starting with a solid black dot and ending with an open circle. The segments are connected by dotted lines, forming a continuous path for tracing.

# Vertical Line Tracing

Tracing practice lines consisting of vertical dotted lines. Each line starts with a solid black dot at the top, followed by a series of smaller solid black dots and open circles, designed for tracing practice.
